

# Audit Senior Cover Letter

91716 Kayce GardenWest Chuck, CO 84390

**Dear Lennon Homenick,**

Please consider me for the audit senior opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for support to Global Accounting Policy team and Controllers on technical accounting matters as related to corporate accounting issues.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Additional core skill requirements include understanding of the applied and interpretation of analytics results for Audit, critical thinking and problem solving
- Experience in financial reporting, key financial processes and/or specialist skills in technology
- Previous experience with both government and private sector
- Experience with compliance testing and reporting for the Medicaid Assistance Program and other NC DHHS programs in accordance with the Statewide Single Audit Implementation Act
- Experience with the requirements of Local Government Commission including preparation of the Annual Financial Information Report (AFIR)
- Experience with retail propane, internal audit, and SOX compliance is preferred
- Preferred Audit experiences from Big 4/Large Regional Accounting firms or other large Fortune 500 companies
- Advanced knowledge associated with the professional practice of information technology internal auditing

**Thank you in advance for taking the time to read my cover letter and to review my resume.**
