

Audit Senior Cover Letter

451 Suk RapidsLeticiafurt, SC 53086

Dear Gray Lemke,

I would like to submit my application for the audit senior opening. Please accept this letter and the attached resume.

Previously, I was responsible for assurance to management, the Audit Committee, external auditors and shareholders that operations, financial statements and reports comply with company policy, as well as generally accepted accounting practices.

Please consider my experience and qualifications for this position:

- Extensive experience or skills in any IT technological role such as program management, operations, security, data management or inquiry, or application development
- Knowledge associated with the professional practice of internal auditing
- Skilled in applying theories, methods, principles, and practices associated with professional internal auditing
- Skilled in performing duties associated with professional auditing that are predominantly intellectual and varied in nature, requiring creative, analytical, evaluative, interpretive, and critical thinking
- Professional experience in health care areas, investigating fraud and/or IT auditing
- PhD or Masters in a relevant quantitative field is strongly preferred, although equivalent relevant experiences would be considered
- Financial Institutions or Specialty Finance industry experience preferred
- Have CPA license or in process of taking exam is preferred

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Cameron Runolfsson
