

Audit Support Cover Letter

7928 Jacobson StreamLake Heriberto, AK 00686-3235

Dear River Wisoky,

Please consider me for the audit support opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for consultative advice to business and IT management on current or emerging Information & Technology risk (focus on Business Resiliency risks), control and governance matters.

My experience is an excellent fit for the list of requirements in this job:

- Fluent in DE/FR/IT/ES/CN/JP
- Understanding of medical billing and/or insurance processes
- Requires attention to detail, organizational, analytical and time management skills with the flexibility to adjust to changing priorities
- Experience in working with PP&E and supply management
- Proven written and verbal communication skills with individuals at all levels along with strong problem solving, decision making, analytical and organization and time management skills
- Proficiency in Concur & Ariba systems
- Proficiency in internal technology ordering systems
- Chartered Accountant, ACCA modules completed, IFRS/USGAAP knowledge is an advantage

I really appreciate you taking the time to review my application for the position of audit support.

Sincerely,

Casey Bayer
