Dear Rowan Schroeder,

I would like to submit my application for the audit support opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for leadership and direction as well as conduct risk-based audit activities/ investigations designed to identify business risks and evaluate the effectiveness of governance, risk management, and control processes.

Please consider my qualifications and experience:

- Analytical skills with Health Informatics experience preferred
- Experience in promoting disease management or drug cost management programs preferred
- Requires working knowledge of applicable industry-based standards, particularly regarding medical information, medical billing, and healthcare information
- Application implementation experience
- Demonstrates teamwork and collaboration within team and across to other IS groups
- Demonstrates strong customer service and excellent communications skills in technical writing, training, and group presentations
- Familiarity with the Microsoft technology stack
- Senior Manager Transfer Pricing & Marketing

Thank you for considering me to become a member of your team.

Sincerely,

Corey Hansen
