

# Auditor, Lead Cover Letter

5779 Joey UnionSouth Rhondachester, MA 46442-6496

**Dear Indigo Herzog,**

I am excited to be applying for the position of auditor, lead. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for expert advice on information risk controls and management strategies to maintain the confidentiality, integrity, availability, accountability and relevant compliance of information systems.

My experience is an excellent fit for the list of requirements in this job:

- Thorough knowledge of multiple technology platforms (Windows, SAP, Oracle)
- Intermediate knowledge of IT applications, databases and/or operating systems across multiple platforms
- Advanced knowledge of MS Office applications (Excel, Word and Visio)
- Intermediate knowledge of data analysis tools (IDEA, ACL)
- Adaptable and able to work well under pressure, and
- Both CISA and CIA certifications
- Advanced knowledge of IT security and compliance standards, requirements and frameworks such as TR-39 (encryption key management and PIN security), PCI DSS, HIPAA Security, FFIEC
- Advanced knowledge of IT applications, databases and/or operating systems across multiple platforms

**I really appreciate you taking the time to review my application for the position of auditor, lead.**

Sincerely,

Corey Purdy
