

Automotive Parts Cover Letter

6116 Bauch MissionHeidenreichview, MA 94208-4690

Dear Sawyer Davis,

In response to your job posting for automotive parts, I am including this letter and my resume for your review.

In my previous role, I was responsible for a high level of automotive expertise as the automotive subject matter expert.

Please consider my experience and qualifications for this position:

- Perform multiple duties in a high-energy, fast-paced working environment
- Understand numeric filing system
- Strive for good customer service
- Competitive guaranteed hourly wage
- Basic mechanical aptitude and manual dexterity
- Automotive knowledge is helpful
- Experience within Technical Hotline preferred
- Experience with Parts Server & Look up preferred

I really appreciate you taking the time to review my application for the position of automotive parts.

Sincerely,

Drew Stamm
