

Aviation Engineer Cover Letter

53423 Upton Falls New Thad, CA 97878-1037

Dear Armani Veum,

I would like to submit my application for the aviation engineer opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for guidance for all repair and alteration activities to the approved technical data provided in the OEM repair manuals, Service Bulletins, Airworthiness Directives, government and industry standard practices, and other data acceptable to or approved by the applicable regulatory agencies (e.g., FAA, EASA, JCAB, CAAC, etc.).

Please consider my qualifications and experience:

- Familiar with design of mechanical assemblies
- Corporate Membership of a relevant Institution of Engineers
- Experience or strong interest in aviation sector
- Native Chinese with good command of spoken and written English
- Proficiency with AutoCAD Civil 3D
- An understanding of TP312 and the Canadian Aviation Regulations is considered an asset
- Excellent MS Word, Excel and Access abilities
- Understanding of communications and information systems, and their potential vulnerabilities

Thank you for your time and consideration.

Sincerely,

Riley Kulas
