

Aviation Mechanic Cover Letter

8959 Marco Path New Tommie, CA 31667

Dear Gray Altenwerth,

Please consider me for the aviation mechanic opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for support to plant operations through preventative maintenance, troubleshooting, diagnosing, repairing, and improving equipment.

My experience is an excellent fit for the list of requirements in this job:

- Satisfactory completion of appropriate courses of instruction from a recognized trade school, possess necessary FAA Aircraft Mechanic Airframe and a background of verifiable practical experience as an active aircraft mechanic
- Work conditions -5 day work week, 8 hrs a day
- Good communication skills, read and write the English language
- Flexible and analytical thinking and outstanding organizational skills
- Minimum 12 months' experience in a technical field and/or technical education equivalent
- Experience with flight line operations
- Secondary/Technical School
- Knowledge and understanding of the Federal Aviation Regulations

I really appreciate you taking the time to review my application for the position of aviation mechanic.

Sincerely,

Charlie Auer
