

Aviation Mechanic Cover Letter

3503 Yost Village North Leif, AR 17347

Dear Dakota Watsica,

I submit this application to express my sincere interest in the aviation mechanic position.

In the previous role, I was responsible for technical support and/or general management of airport related tasks currently underway including but not limited to: International Civil Aviation Organization (ICAO) compliance audits, airport transfer planning (from military to civilian operations), master planning and airport network planning.

Please consider my qualifications and experience:

- An understanding of US Navy maintenance concepts and procedures highly desirable
- Courseware development and Instructor experience preferred
- Prior F/A-18 Supervisor FAM C-600-3867
- Naval Aviation Quality Assurance (QA) Admin C555-0046
- Naval Aviation Logs and Records E-555-0059
- Aircraft Weight and Balance E-516-0001
- Prior F/A-18 Work Center Supervisor Experience
- Able to obtain a valid FAA Airframe and Powerplant Mechanic Certificate (A&P Certificate)

I really appreciate you taking the time to review my application for the position of aviation mechanic.

Sincerely,

Cameron Wilderman
