**Dear Azariah Koch,**

I am excited to be applying for the position of aviation mechanic. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for a strong foundation for aviation consulting, such as Engineering, Architecture, Planning, Aviation Management, or Aviation Operations.

My experience is an excellent fit for the list of requirements in this job:

- Able to pass a physical fitness exam requiring the lifting of weights up to 75lbs
- Gulfstream G550 and/or G650 Master technician from Flight Safety International
- Previous leadership role with proven track record
- Inspector authorization
- Completed at least one Honeywell Planeview Avionics course (G650 preferred, G550 considered)
- Previous leadership or supervisor role with proven track record
- Computer and iPad – Highly proficient with apple iOS
- Highly Proficient with MS windows 10, MS Excel for the work schedule, MS word, MS teams video conferencing

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Denver Swift
