

Backend Developer Cover Letter

208 Young Points Tashafurt, NV 95115-0603

Dear Blake Maggio,

I am excited to be applying for the position of backend developer. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for roadmap on technologies & tools to be adopted to migrate existing Java based monolithic platforms to microservices.

Please consider my qualifications and experience:

- Experience building RESTful systems
- Knowledge of RESTful constraints
- Extensive knowledge of HTTP
- Experience writing/monitoring/scaling systems
- Swagger UI for documentation
- Apache POI
- Extensive experience in Java and Scala
- Strong experience with MongoDB and Kafka platform

Thank you for taking your time to review my application.

Sincerely,

Campbell Maggio
