Backend Developer Cover Letter

95756 Herzog AlleyEarlchester, FL 94127

Dear Brooklyn Shanahan,

I would like to submit my application for the backend developer opening. Please accept this letter and the attached resume.

Previously, I was responsible for optimization services for SQL queries from web development teams.

Please consider my qualifications and experience:

- Strong knowledge (written/spoken) of English
- Proficient in C# and/or VB.NET, with a good knowledge of their ecosystems
- Familiarity with the Entity framework
- Deep Knowledge of Store Procedures
- Experience with popular web application frameworks (jQuery, Knockout, Angular)
- Proficient understanding of TFS
- SQL familiarity
- Front-end framework knowledge an asset

Thank you for considering me to become a member of your team.

Sincerely,

Jordan Schuppe
