

Bakery Cover Letter

1845 Laine RidgesDarrylfort, AZ 89693-5649

Dear Dylan Hand,

I submit this application to express my sincere interest in the bakery position.

In my previous role, I was responsible for incredible customer service, proactively approaching customers, educating them about products and answering any questions, helping them locate items and offer suggestions to complete their meals.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Structured approach to tasks
- Self-motivated to work continuously in laboratory and field
- Comfortably lift up to 35 pounds repeatedly throughout the shift
- Be able to understand and follow company's GMPs
- Support the Own Brand team to drive NPD development and ensure it is commercially favourable

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Phoenix Kessler
