9522 Narcisa SpurNorbertchester, NC 24533-4117

Dear Ari O'Conner,

I would like to submit my application for the behavioral health specialist opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for further enhancements to the systems electronic health record (EPIC) to meet the needs of the department's integrated behavioral health services.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Engages patient and family to foster compliance with plan of care
- Reports patient status changes and needs to RN, Social Worker or other professional clinical staff in an accurate and timely manner
- Uses calming techniques to assist the patient in situations that might escalate to a problematic status
- Maintains professional demeanor when subjected to aggressive behavior (verbal, sometimes physical) by out-of-control patients and /or family
- Enlists help from Security Officers or other staff when appropriate
- Communicates in a therapeutic manner to patients and families

I really appreciate you taking the time to review my application for the position of behavioral health specialist.

Sincerely,

Brooklyn Lueilwitz
