Dear Drew Kub,

I am excited to be applying for the position of behavioral health specialist. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for behavioral health information, family engagement, and service linkage on-site and in children and families' natural environments; under the guidance of licensed Behavioral Health Professionals, provide evidence-based treatment to individuals and families.

Please consider my experience and qualifications for this position:

- Permanent residence in the state of Florida
- Other clinical licensure requirements, so as to be able to provide brief
- Knowledge of drug & alcohol treatment or disease concept of addiction preferred
- Demonstrates critical thinking in delivery of assessment, crisis intervention, treatment planning, implementation, evaluation and monitoring of quality care to Behavioral Health inpatients to meet patient care needs
- Facilitates individual, group and family therapy, psycho-educational groups, and participates in recreational therapy activities, to promote patients' emotional, spiritual and psychological health
- Participates in physical care of patients including, but not limited to, assisting with activities of daily living, taking vital signs, weighing patients, collecting routine urine, stool, and sputum specimens
- Reports patient status changes and needs to RN, Social Worker or other professional clinical staff in an accurate and timely manner
- Maintains professional demeanor when subjected to aggressive behavior (verbal, sometimes physical) by out-of-control patients and /or family

I really appreciate you taking the time to review my application for the position of behavioral health specialist.
