

Behavioral Specialist Cover Letter

440 Maggie SpringsGorczanymouth, OK 42977

Dear Reese Kunde,

Please consider me for the behavioral specialist opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for care coordination and care management to members with severe mental illness who have high rates of behavioral health utilization.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience and training working with children, adolescents, and families in a medical setting strongly preferred
- Current clinical license preferred (LCSW, LMHC)
- Experience in implementing and conducting training programs in a large institutional/corporate setting preferable
- Strong interpersonal and communication skills to work with different levels of Hospital personnel
- Communicates and collaborates with others in a direct, respectful and effective manner to deliver quality and cost effective patient care
- Knowledge of the principles and techniques of self-care program activities
- Skills in written and verbal expression
- High School or equivalent completion

Thank you for taking your time to review my application.

Sincerely,

Spencer Conroy
