

Biochemist Cover Letter

512 Christopher Ranch West Hildegard, FL 25086-0075

Dear Robin Rolfson,

I would like to submit my application for the biochemist opening. Please accept this letter and the attached resume.

Previously, I was responsible for direction to assign staff on performing duties and ensure understanding of and compliance with applicable laboratory and safety procedures.

Please consider my experience and qualifications for this position:

- MS or PhD in Biology, Biochemistry, or related
- In-depth understanding of recombinant protein expression and purification from bacterial and yeast systems
- Experience with immunoassays (ELISA, western blot, HIA)
- Familiarity with assay product development and associated problem solving
- Able to express, purify, and characterize native and recombinant enzymes
- Detail-oriented with strong commitment to quality control and reagent characterization
- Biomanufacturing experience in an industrial setting
- Manufacture and test Chemistry & Immunochemistry reagents/calibrators for Syva, Advia, Immulite, OEM, DM, and Vista product lines

Thank you for your time and consideration.

Sincerely,

Stevie Pfeffer
