

# Boeing Cover Letter

7222 Leann Mall West Sophie, RI 33818

**Dear Dylan Monahan,**

In response to your job posting for Boeing, I am including this letter and my resume for your review.

In my previous role, I was responsible for voice of the business input to Compensation and Benefits strategy and process teams regarding strategies, program design, process, and communications to optimize the impact of the company's investment in Total Rewards.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Commitment to customer satisfaction, performance excellence, teamwork and process improvement
- Able to safely lift up to 100 lbs continually
- Experience in a large warehouse/distribution company preferred
- Experience with double pallet jack is preferred
- Able to pass a criminal background check and a drug/physical exam
- Leading projects and tasks, developing business intelligence platforms and solutions the identification and execution of analytics capabilities for Engineering Maintenance and Modifications (EMM)
- Collaborate with key stakeholders in EMM, BGS Analytics, IT, BR&T, and other core analytics teams
- Global finance experience working in and across multiple countries

**Thank you for considering me to become a member of your team.**

Sincerely,

Riley Nienow
