

Business Analyst SAP Cover Letter

7961 Parisian LightsLake Assunta, NJ 37321-2390

Dear Oakley Gleichner,

I am excited to be applying for the position of business analyst SAP. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for sAP expert knowledge in the functional areas of Finance and Controlling to respond to business requirements, and position potential solutions.

My experience is an excellent fit for the list of requirements in this job:

- Information Systems Flexibility
- Previous experience with Supply Chain functions included production planning, materials management
- Utilize strong knowledge of the ERP system by providing broad and deep level of expertise not only of assigned processes, but will learn all areas of the ERP environment
- Good technical knowledge of SAP R/3 SD and MM an advantage
- Experience of writing technical specifications
- SAP R/3 certifications / education a distinct advantage
- Deep understanding of SAP EDI methodologies and associated mapping and configuration
- EDI production support and project implementation experience

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Indigo Corwin
