

Business Analyst SAP Cover Letter

839 Dare CenterLake Darrinbury, CO 29917-0888

Dear Avery Pfannerstill,

Please consider me for the business analyst SAP opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for train-the-trainer sessions to educate the training team on SAP Enable Now best practices, capabilities, templates, and configurations.

My experience is an excellent fit for the list of requirements in this job:

- SAP or equivalent ERP integrated systems experience preferred
- Experience of being a team member of SAP ERP implementation project preferred
- SAP Solution Consultant certification in SD/MM
- Solid understanding of the SAP Solution Manager processes and the related transport processes
- Solid Understanding of warehousing and distribution processes including shipping
- General understanding of supply chain process
- Experience facilitating small to large groups through challenging discussions
- Experience with integration to/from SAP to 3PL WMS systems

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Ari Stracke
