

# Business Analyst SAP Cover Letter

4020 Oswaldo StravenuePort Lindsey, NY 13498-3461

**Dear Denver Heller,**

I am excited to be applying for the position of business analyst SAP. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for business solutions and support for the Global SAP system with focus on Finance, Controlling and Special Purpose Ledger.

Please consider my experience and qualifications for this position:

- Solid understanding of SAP ECC business processes for 2 or more modules (Distribution Operation)
- Deep and balanced knowledge of both business process and technical architecture
- Provides guidance and training to potential Extended Warehouse Management Super Users
- Collaborate with relevant partners to deliver the approved change requests
- Creation of system documentation and execution of testing
- Partner with other members of the SAP CC to ensure optimised integrated solution
- Hybris enterprise implementation experience
- Java and Spring Framework development experience

**Thank you for taking your time to review my application.**

Sincerely,

Lennon Swift
