

# Business Analyst SAP Cover Letter

91906 Sara ExtensionsTasiafort, NC 79974-9751

**Dear Finley Herman,**

I submit this application to express my sincere interest in the business analyst SAP position.

In the previous role, I was responsible for advice and guidance on SAP best practice tool capabilities that can bring additional value to the Finance business areas at C&J.

My experience is an excellent fit for the list of requirements in this job:

- SAP Query, InfoSet, Report Painter, and Report Writer
- Knowledgeable in MS Excel Macros and Visual Basic
- Detailed functional experience in SAP PP, MM, and/or CO
- In depth understanding of related interaction with other SAP modules
- At least 1 life cycle implementation of SAP ECC and TM
- Perform business analyses of functional requirements to identify information, procedures, and decision flows based on changes in legislative, policies and directives
- Develop and document statements of requirements
- Provide expert advice for new requirements and opportunities for applying efficient and effective functionality

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Blake Wisozk
