

Business Change Cover Letter

1487 Koepp RapidSouth Lionelton, TN 83470

Dear Quinn Waelchi,

I am excited to be applying for the position of business change. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for advice, support and challenge to help the businesses identify and manage risk, incidents and non-compliance and to provide an independent view of risks and issues under management for Group Governance purposes.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Healthcare and HEDIS experience highly preferred
- Generalist with broad experience managing multiple work streams and functions
- Intellectual curiosity and intrinsic motivation to identify opportunity and quickly act
- Analytical mindset to approach business problems using a data-driven process
- Business presence to establish credibility amongst a senior leadership team
- Team-first attitude and willingness to take on any projects that need executed, both high profile and day-to-day administrative needs
- Business analyst (BA) function involves working closely with business partners and the CRO IT department
- Our key clients are the Credit Risk Reporting teams globally (counterparty credit reporting, emerging markets, and credit scenarios reporting functions in London, Wroclaw, Singapore and New York) and we support them in delivering reporting to Credit Risk Management, regulators and senior management

Thank you for your time and consideration.
