

Business Information Cover Letter

7235 Dianne ExtensionsLake Rudolf, NH 46014

Dear Gray Schamberger,

I am excited to be applying for the position of business information. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for end user support and troubleshooting for issues related to ERP system, including writing and running reports to query data from Oracle and analyze as needed.

Please consider my experience and qualifications for this position:

- Analytical skills to be able to understand information and data profiling
- Skills to support the assessment of the quality of master data of the different source systems and definition of a data conversion strategy
- Hands-on and in-depth experience with Objects, Fields, Workflow, Configuration, Developing and Deploying changesets, Process Builder
- Salesforce.com configuration and application design skills including working knowledge of Salesforce Communities
- Working knowledge of general Sales, Marketing, R&D and IT Services process and concepts, preferable in a software manufacturing industry
- Strong leadership skills and effective communication and interpersonal skills that enable interaction comfortably with all levels of staff, executives, physicians, and community sectors
- Understanding of current healthcare trends
- Advanced computer skills that support spreadsheet and presentation requirements

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Justice Kuvalis
