

Business Lead Cover Letter

92186 Torp MotorwayBinston, NC 56514-3738

Dear Landry MacGyver,

I submit this application to express my sincere interest in the business lead position.

In the previous role, I was responsible for guidance and analytics support for business partners to evolve category and cross-category business strategy that optimizes product portfolio objectives (assortment, pricing and promotions).

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- To provide input into transactional team of any service related issue arising from production & supply
- Experience of operating within a multinational manufacturing organization
- A good understanding of product costing and ledger management gained first hand in a manufacturing environment
- Leading Agile team of developers
- Strong understanding of both functional and non-functional requirements
- Proven capacity to understand complex business and technical concepts
- Knowledge of Aspect WFM scheduling module (preferred)
- Product or Technical System design/architecture experience

Thank you for considering me to become a member of your team.

Sincerely,

Landry Reichel
