

# Business Planning Analyst Cover Letter

767 Shelby MillsAlphatown, IA 47889-6801

**Dear Indigo Hegmann,**

I am excited to be applying for the position of business planning analyst. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for sales performance analysis based on market research report, other outsource data and sales feedback for effective decision making.

My experience is an excellent fit for the list of requirements in this job:

- Experience with a Financial Planning tool (IBM Cognos TM1 or comparable) is preferred
- Financial business experience in a major corporation
- Background in scientific, pharmaceutical or manufacturing company
- Experience of working with R&D management
- Experience working in a demand management function including monitoring portfolio execution and benefits realization
- Proven experience performing analysis and redesigning business processes and workflows related to managing demand
- Experience with portfolio management tools and dashboards
- Effective communication skills to present & discuss with product and business managers and for senior management review

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Ryan Sporer
