**Dear Rowan Goodwin,**

I submit this application to express my sincere interest in the butcher position.

In my previous role, I was responsible for direction to associates regarding products and departmental procedures.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Strive to be innovative, creative and dynamic at all the time with a positive attitude toward work
- Possess a good leadership, organization & communication skills
- Communicates and write with fluency in English and local language
- Ensure that all kitchen equipment is in proper working condition, cleaned and organized
- Maintain safety and sanitation standards to provide the team members and guests a safe environment
- Maintain proper inventory levels and stock storage room on a daily basis
- Understand knife safety, use and sanitation of all kitchen equipment
- Butcher, trim and skewer meat items by selecting, portioning and properly seasoning meats

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

River Prohaska
