

# Campus Internship Cover Letter

6014 Balistreri Squares Port Ammieview, ID 10304-6822

**Dear Spencer Bins,**

Please consider me for the campus internship opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for translation support (from Portuguese to English language, vice-versa) for key statements and other reports/articles issues;.

Please consider my experience and qualifications for this position:

- Demonstrate strong interpersonal, organizational, and verbal and written communication skills
- Working knowledge of AutoCAD and Microsoft Office Suite applications
- Field work will require conducting boundary, topographic, utility, and architectural surveys
- Familiarity with HCS, SYNCHRO and the MUTCD is highly desirable
- Analyze and interpret data from many sources, including field data and online data sources
- Create high-quality cartographic products suitable for client deliverables
- Collect, process, and evaluate GPS data
- Knowledge of File and Enterprise Geodatabases (Esri Geodatabase design structure and management), general database knowledge, including the manipulation of tabular data in GIS, summarizing, joining, and linking related data

**Thank you for taking your time to review my application.**

Sincerely,

Cameron Ratke
