Dear Azariah Kutch,

Please consider me for the capacity analyst opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for detailed support and analysis of the operating companies' P&L's as well as the corporate cost center budgets.

Please consider my experience and qualifications for this position:

- Excellent communication and presentation skills with working proficiency in MS office (Excel, Word, and Power Point)
- MS access, Business Objects, and SQL
- Engage with key stakeholders across the bank to ensure both visibility of current issues future changes being planned to take into account from a capacity perspective
- Experience making large scale decisions for a network of sites strongly preferred
- A role in a Global organization
- Knowledge of Capacity Management and its key sub processes
- Project management and commercial experience with major infrastructure vendors, including procurement, project and service delivery management, audit and compliance aspects, within a large scale organization
- Familiarity with Business Outcomes-based End to End Service Management

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Onyx Schultz
