

Capacity Analyst Cover Letter

268 Bechtelar StreamFaheyland, AZ 81830-3871

Dear Ari Runte,

I submit this application to express my sincere interest in the capacity analyst position.

In the previous role, I was responsible for analysis and documentation while coordinating the development and monitoring of the IT annual Capital and Operating Expense budgets and forecasts.

Please consider my qualifications and experience:

- Experience with Microsoft Office (particularly Excel and Access) or equivalent training
- General understanding of pricing philosophies and its relationship to demand
- Experience in data mining, market analysis, pricing, and/or planning
- Experience with Access, Business Object, SAS, or SQL as a data analysis tool
- Experience with revenue management concepts and systems
- Relevant work experience in the transportation industry
- Requires strong analytical skills, solid mathematics and problem solving background
- Familiarity with agile project methodology and concepts

Thank you for considering me to become a member of your team.

Sincerely,

Dylan Torphy
