Dear Alexis Romaguera,

I would like to submit my application for the capacity manager opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for best practice recommendations for Storage Capacity and Performance Management processes, thresholds, and tools.

Please consider my qualifications and experience:

- Assists the Capacity Management Global and Regional Process Owners in driving cross-account process standardization
- Assists the Capacity Management Global and Regional Process Owners in standardization to enable offshore targets
- Familiarity with Telcom DC power systems and HVAC systems
- Previous CCP/vSAP experience
- Stakeholder management across diverse cultures, both internal and external
- Lead a team and be accountable for developments of her/his direct reports
- Understanding the concepts of Line management, commercial and yield drivers
- Vessel optimization techniques and balancing supply with demand

Thank you for considering me to become a member of your team.

Sincerely,

Sutton Huels
