

Capacity Manager Cover Letter

638 Leandro Mountain Rogahnland, NM 14305

Dear Royal Hilpert,

I am excited to be applying for the position of capacity manager. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for expertise and management support to staff responsible for analyzing results and reporting/presenting those results to management/executive management.

Please consider my qualifications and experience:

- Learn the dynamics of Intra-Asia trade which is one of fastest growing trade in the world
- Strong analytical knowledge to synthesize data and produce timely, accurate and relevant commentary
- Working knowledge of productivity applications such as Microsoft Office Suite (MS Word, PowerPoint, Outlook, MS Project)
- Have a technical awareness of MS SQL, Oracle, Legacy and Low Cost DBMS estates
- Conversant and ideally experienced in delivery of projects on Cloud, to On-Premise Data Centres
- Creative problem solving through a deep understanding and analysis of available machine and business data
- Strong communication and interpersonal skills with a focus on driving consensus and resolution across peer groups
- Experience in Infrastructure Operations with a proven track record of taking ownership and driving results

Thank you for your time and consideration.

Sincerely,

Morgan Klocko
