

Care Cover Letter

74838 Kihn FlatsNew Mariette, NE 29766-0358

Dear Armani Beier,

In response to your job posting for care, I am including this letter and my resume for your review.

Previously, I was responsible for leadership to the implementation team by promoting consistency across the team, including methodology, deliverable templates, terminology, etc.

Please consider my experience and qualifications for this position:

- Full-time, night shift, weekend rotation
- Experience with RBHA/Maricopa County BH Delivery System
- Part-time, weekend rotations
- Missouri Certified Nurse Assistant (CNA) License – Active
- Documents observations, interactions, patient responses to performed activities, and any physical or behavioral changes at time of occurrence
- Obtains or assists in the collection of specimens for diagnostic or waived tests
- Retrieves medication from pharmacy, storage room, or tube system and delivers to licensed staff member as instructed
- Assists with patient preparation for surgery or other procedure

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Haven Williamson
