

Career Specialist Cover Letter

273 Medhurst RestZiemebury, MD 33280

Dear Marion White,

I would like to submit my application for the career specialist opening. Please accept this letter and the attached resume.

Previously, I was responsible for support to the social media lead in posting, replying and escalating where appropriate on our social channels and platforms.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- RCRA Hazardous Waste Management
- Safety systems for plant equipment (Includes Safety-Rated Relays, PLCs, Sensors, Switches, etc)
- Control communication networks including Devicenet, Controlnet, and Ethernet/IP
- AB and Siemens AC and DC drives, also some Square D and others
- Motor control systems Including low voltage and medium voltage starters and soft starters
- Ancillary equipment including lighting, air compressors, boilers, ovens, and others
- Servo drives, Allen Bradley Kinetix, Siemens Master, and Siemens Sinamics platforms
- HMIs, including Wonderware Intouch and Historian, Allen Bradley Panelview, and other standalone HMIs

Thank you for taking your time to review my application.

Sincerely,

Azariah Tillman
