

# Certified Phlebotomist Cover Letter

2882 Heaney Landing Jamiefurt, AL 70950

**Dear Max White,**

I would like to submit my application for the certified phlebotomist opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for appropriate health care services to the neonatal, pediatric, adolescent, adult, and geriatric population.

Please consider my qualifications and experience:

- Knowledge of exam, diagnostic and treatment room procedures
- Phlebotomy certification from a nationally recognized certification agency
- Strong knowledge of Hospital Isolation, Infection Control protocols, patient comfort/safety
- Experience working in related lab, preferably in a large, complex healthcare system.s
- Proven skills/knowledge in basic collection and specimen preparation, storage and disposal of specimen
- Demonstrated accuracy and efficiency in positive patient identification when interacting with patient for specimen collection including phlebotomy
- Demonstrated experience working with and interacting effectively with a diverse population including all levels of staff and patients
- Demonstrate knowledge of specimen collection and handling requirements

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Tatum Kessler
