

Certified Phlebotomist Cover Letter

3562 Hackett BurgsPort Aubrey, OK 24798-9994

Dear Finley Dickinson,

Please consider me for the certified phlebotomist opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for excellent quality patient care including collection of samples, combining requisitions, checking for outstanding specimens, including microbiology and blood bank specimens.

Please consider my experience and qualifications for this position:

- Prior experience in related field
- High School Diploma or GED equivalent , including high school level course work in biology, chemistry, and mathematics
- Includes a 30 min break
- ASCP Phlebotomy Certification Preferred
- Familiarity with McKesson Lab Preferred
- Acts as a consultant for the lab relaying testing information related to test orders, sample types, container types, quantity needed, and result turnaround times
- Represents the laboratory in troubleshooting general clinical inquiries into appropriate sample type, order options, or modifications to test orders
- Able to communicate with care providers when unacceptable sample submitted for testing and ensures follow-up investigation for any missing or incorrectly routed sample

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

River Howe
