

# Chief Data Office Cover Letter

74462 Annamaria BypassChadton, OR 85353

**Dear Reese Ullrich,**

Please consider me for the chief data office opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for direct client support to enhance business decisions, partnering with external data vendors and industry contacts to enable best in class data management practices.

My experience is an excellent fit for the list of requirements in this job:

- Experience with requirements gathering and/or analysis activities (preferably experience with Risk, and Finance data requirements)
- CCAR/Reg Financial Reports knowledge preferred
- Delivery of BCUS Data governance strategy and alignment to Barclaycard/IHC
- Establish Data Governance controls to meet all policy requirements across new data platforms and technologies
- Sets direction, liaises with the BDO team, functional working groups, BCUS EX-Co., Barclaycard, IHC and executes ongoing internal and external communications with respect to the data governance program
- Defines and enforces data management principles and data ownership
- Defines and facilitates the governance cadence and RACI interaction charts
- Lead the efforts for data quality and data management tool implementation in partnership with the other leads

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Lennon Auer
