

Chief Data Office Cover Letter

8407 Moira StravenueVernonport, DE 84681

Dear Dylan Reinger,

In response to your job posting for chief data office, I am including this letter and my resume for your review.

Previously, I was responsible for input on and implement strategy for data management practices and platforms to drive growth and business improvement.

Please consider my qualifications and experience:

- Building relationships with stakeholders across the business to deliver successful collaboration
- Managing adherence to relevant risk policies and frameworks and identifies, escalates and mitigates emerging risks as appropriate
- Delivering Metadata solutions to support high quality data management
- Leading the delivery and implementation of data management tools and capabilities
- Experience of successfully implementing & supporting data management processes and tools
- A real passion for new technology and industry trends focusing on both tech and banking sectors
- History of working collaboratively with senior stakeholders on ambiguous topics
- Exceptional governance, project management and organisational skills

I really appreciate you taking the time to review my application for the position of chief data office.

Sincerely,

Sawyer Strosin
