Dear Onyx Vandervort,

I am excited to be applying for the position of chief investment office & treasury. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for advice and guidance to subsidiaries and business units on a broad range of treasury operational matters such as handling of funds, banking arrangements, transaction taxes, exchange control and treasury risk management.

Please consider my qualifications and experience:

- Team Lead of the Team performing end-to-end month-end close and financial reporting
- Strong conceptual understanding of Funds Transfer Pricing
- Leads / Participate in new business initiatives process to define Finance work flow, to provide analysis and advice around accounting booking strategies and operational procedures
- Proven strong track record as a Team lead to achieve results while having a robust risk/control mindset
- Be a successful manager to motivate staff to contribute to the Team's and Firm's success through enhancing strengths and improving on weaknesses, while helping staff to grow and develop their skills and capabilities
- Professional qualification in Finance, Accountancy/Management
- Experience with top tier banks in Middle Office, Operations, Market Risk, Valuation, Finance or Product Control functions
- Extensive knowledge of transaction cycle, infrastructure and associated operational and financial processes and controls

Thank you in advance for taking the time to read my cover letter and to review my resume.
