

CIB-Global Corporate Banking Cover Letter

314 Alexander Lodge South Kiethland, MS 74192-1794

Dear Rowan McKenzie,

I am excited to be applying for the position of cib-global corporate banking. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for and maintain blacklist database related with KYC/AML implementation Conducting the Bank's Compliance Testing for related Business Unit/Support Unit, through analysis and accurate methods.

Please consider my experience and qualifications for this position:

- Strong people skills to elevate the energy and coordinate the efforts of HQ Bankers in the region, HQ Bankers outside Latam and key partners in and outside Latam
- Excellent written and oral communication skills in Portuguese, English and ideally also Spanish
- Established network and considerable experience banking TMT corporations
- Understanding of key products used by this client set, in particular custody and integrated reporting and financing products, transaction management / cash management services, trade, fixed income (credit and rates), derivatives, structured and securitized products, futures and options, debt capital markets, asset management
- Strong Commercial Banking or KYC background with experience navigating complex global organizations
- Established network and experience banking large Technology corporations
- Management experience necessary to help both build and retain our Corporate Banking team
- Strong financial analytical skills, able to identify clients' potential banking requirements via effective quantitative and qualitative analysis including credit & risk analysis, detailed capital structure and business model analysis

Thank you in advance for taking the time to read my cover letter and to review my resume.
