

Cinematographer Cover Letter

4730 Kris RoadsEast Trentonfurt, WY 76881-9546

Dear Justice Glover,

I submit this application to express my sincere interest in the cinematographer position.

In my previous role, I was responsible for knowledge and technical guidance for talent, staffing, communication and workflows, creative reviews, approval meetings, and production calendar workshops and maintain budget expectation.

Please consider my experience and qualifications for this position:

- Able to adapt to new technologies and concepts in workflow
- Troubleshoot basic technical issues
- Comfortable working in a fast paced, time-sensitive department
- High-level experience with digital technology and editing software packages
- Knowledge in content creation primarily for key social channels including Instagram, Snapchat, Twitter and Facebook (stereoscopic images, cinemagraphs)
- Strong prioritization and time management are essential
- Strong computer and design skills with intermediate to expert knowledge of Microsoft Office Suite (Keynote, Excel, Word, PowerPoint)
- A creative experience professional who is excited to build an epic brand

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Oakley Jones
