

Cinematographer Cover Letter

103 Weimann DrivesMetzburgh, NM 17295-0167

Dear Zion Kuphal,

I submit this application to express my sincere interest in the cinematographer position.

In my previous role, I was responsible for thought leadership around new filming approaches, creative treatments and equipment.

Please consider my experience and qualifications for this position:

- Proficient with a range of cameras field and studio lighting, both continuous and strobe
- Can participate in the creative process and help with concepts, scripts and storyboards
- Open to travel, sometimes at a moment's notice, with gear in toe
- Highly adept at video and film production techniques for both in-studio and location shoots
- Solid grasp of on-set and on-location audio recording
- Expert skills with Adobe Premiere, After Effects and Photoshop
- Experience editing non-scripted and scripted content
- Experience editing for social campaigns

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Dallas Jenkins
