

Cinematographer Cover Letter

81995 Marisa MissionStrosinchester, ID 62596

Dear Sutton Schuster,

Please consider me for the cinematographer opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for superior customer service, demonstrating sound logic and judgment.

My experience is an excellent fit for the list of requirements in this job:

- Practical knowledge and extensive experience with production equipment and operations
- Direct experience in photography and editing, with a strong emphasis on creativity and innovation design thinking
- Personal experience in project development and scheduling, from conception to completion
- Shoot using cinematography principles, including aspect ratio and camera movement
- Understand screenplay or project to apply different shooting styles
- Select proper lenses, lighting, frame shots to convey different styles
- Shoot A-B roll
- Stay abreast of changing technologies and trends in the video world

I really appreciate you taking the time to review my application for the position of cinematographer.

Sincerely,

Drew Cronin
