

Cinematographer Cover Letter

37332 Jacques TrackEast Nick, WY 26556-6608

Dear Marion Hahn,

I submit this application to express my sincere interest in the cinematographer position.

Previously, I was responsible for direction to talent for low complex projects where a director is not needed .

Please consider my qualifications and experience:

- Experience whittling down long (45+ minute) interviews into tight 2-3 minute stories
- Experience with DIT
- Excellent written and verbal communications skills and strong presentation skills
- Comfortable outlining, writing and project managing relevant content and scripts as needed for various channels
- Demonstrated initiative, problem-solving skills, solid judgment, and accustomed to acting with a sense of urgency
- Expert knowledge of all aspects of video production, including lighting, camera operation, audio recording, and post-production
- Mastery of the post-production software
- Proven track record planning and organizing all aspects of the video production process

I really appreciate you taking the time to review my application for the position of cinematographer.

Sincerely,

Quinn Wolff
