

Civil Engineering Technologist Cover Letter

7374 Deja SpursBechtelarshire, MA 03974

Dear Sawyer Schuster,

I submit this application to express my sincere interest in the civil engineering technologist position.

In the previous role, I was responsible for trainings and directions, with emphasis on general civil/structural/seismic engineering analysis, design, detailing, and Computer Aided Design (CAD) supported drafting for Southern California Edison (SCE) Facilities.

Please consider my qualifications and experience:

- Understand complex processes, and strive to develop and implement continuous improvement and creative process enhancements
- C.E.T., C Tech
- Experience and aptitude to work with AutoCAD and Civil 3D
- Shall have a good working relationship with local agencies and municipal staff
- Valid G class driver's license is a requirement
- Member or eligibility for registration with TechNova as a C.E.T
- Survey or Civil Technology diploma
- Experience projects in the role of inspector or monitor

Thank you for your time and consideration.

Sincerely,

Brooklyn Fahey
