

Civil Technician Cover Letter

36806 Halvorson RoadEmeraldburgh, ID 42774

Dear Max Ward,

Please consider me for the civil technician opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for cAD drafting and design support during the planning, design, and construction of typical plumbing engineering projects.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Coordination between other disciplines
- Holds ITI/Diploma in Civil Engineering
- Experience of Navisworks manage or Navisworks simulate
- Construction sequencing
- Production of 2D and 3D drawings, models and information
- Co-ordination of BIM Processes and appreciation of modelling information
- Collaboration of design information with team members and clients
- Involvement in mentoring, knowledge sharing and upskilling the design team

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

River Price
