

Claim Manager Cover Letter

51974 Tammera Lakes Rennerport, KY 35778-4226

Dear Story Doyle,

I am excited to be applying for the position of claim manager. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for claim-handling guidance, recommendations and strategies to Complex and Major Case Specialists, Field Claim Leadership and/or Professionals, Defense Counsel and insureds/clients.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience in health care insurance or health care industry strongly preferred
- Excellent Project Management skills along with effective planning and organizational skills
- Knowledge of problem solving methods' (8D, Ishikawa, Why Analysis, FMEA, SPC, ...)
- English knowledge in negotiation level, verbal and writing
- German knowledge, experience in quality assurance, SAP knowledge is an advantage
- Experience with digital transformation (consumer-centric digital delivery/e-commerce capabilities)
- Experience collaborating with IT to develop self-help tools for customers
- Understanding of general claim procedures and loss prevention programs

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Armani Fisher
