

Claims Manager Cover Letter

36656 Tremblay PlainsTorpshire, MO 14076

Dear Parker Farrell,

I submit this application to express my sincere interest in the claims manager position.

In the previous role, I was responsible for oversight and direction for administration of employee relations matters and related policies and procedures to ensure regulatory compliance.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Self-starter who is results orientated
- Microsoft Word, Power Point, Outlook and ECF
- Extensive experience of Lloyd's or Company Reinsurance Market as a Reinsurance Claims Specialist handling complex claims and assessing best estimates of aggregate exposure to events across a reinsurance book
- Strong background in Property or Marine & Energy claims
- To build a Contracts and Claims strategy
- Develop and produce any project specific process and way of working for claims management
- Timely issuance of notices to the customer or its representative
- Reporting on claims activity to the project and legal and Contract management

Thank you for your time and consideration.

Sincerely,

Sawyer Yundt
