Claims Support Cover Letter

798 Maia ExtensionNewtonland, UT 30765

Dear Jordan Nader,

I am excited to be applying for the position of claims support. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for application production support for ad hoc requests requiring configuration, coding and development of QlikView, JIRA and other research software applications.

Please consider my qualifications and experience:

- SAP systems
- Work experience in a Senior Claims, Provider Relations, and Provider Network management role
- Demonstrated experience with workforce management principles
- Experience communicating to cross-functional groups within an organization
- Demonstrated experience creating, manipulating, and analyzing data in MS Excel using vLookups, pivot tables
- Demonstrated skillset in conflict resolution
- Experience with Medicare/Medicaid programs and reimbursement methodologies for facility and professional claims
- Experience with implementation and support of Guidewire Claim Center insurance framework

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Haven Rippin
