

Claims Support Cover Letter

867 Rocky StreamEdelmirastad, WY 26917

Dear Briar Carroll,

I am excited to be applying for the position of claims support. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for technical guidance to assigned customers in the form of infrastructure and implementation reviews, installation and upgrade support, coding review best practices and other Premium Care assistance.

Please consider my qualifications and experience:

- Experience with developing and troubleshooting in Siebel, .Net, Java applications
- Experience in HTML, CSS, JavaScript, ASP, SOAP, Web services and XML
- Strong development and/or Production support experience on various Guidewire components such as
- Familiarity with insurance products and claims desirable
- Hands on experience in the areas of Effort Estimation, Project Planning and Tracking, Onsite-Offshore co-ordination for executing projects on timely basis
- Guidewire Claim Center platform upgrade
- Experience with SQL (Oracle, DB2) and relations database is preferred
- Experience with Guidewire plugins

Thank you for your time and consideration.

Sincerely,

Haven Legros
